June 01, 2025

To My Dear Patients and Friends,

I have received great personal reward from dentistry over the last 46 years in Overton. However, after much thought, the time has come for me to retire from active dental practice and concentrate on enjoying life with my wife and family. I have had the honor and privilege of caring for the oral health of you, your families, and your friends for many years and for that, I am deeply grateful. I will miss these relationships, which I have been able to enjoy over the four and a half decades of practicing in Overton. It has been my singular honor and privilege to be your dentist, and I have sincerely appreciated your confidence and trust by allowing me to care for your dental health. Thanks to your loyal patronage and the hard work of my dedicated staff, my practice has become a huge source of pride and fulfillment in my life!

After a long and careful search, Prairie Meadows Dental, PC (PMD) has chosen the right dentist to take over the reins at (DBA) Overton Family Dental in July. Dr. William K. Phillips, DDS is a native of North Platte, NE and a graduate of Creighton University School of Dentistry. PMD also welcomes his wife, Rhiannon (Bennett) and his 14-month-old son, Boston. His enthusiastic and caring manners are closely aligned with my philosophy of care. With his education, I assure you that excellent dental care will continue. Dr. Phillips also plans to introduce and offer new innovative specialty services including digital scanning, Invisalign orthodontics, implants, cosmetic dentistry, and airway and sleep dentistry, all of which the other five dentists are proficient and competent at. Like me, he loves dentistry and is super excited to meet you and continue serving your dental needs.

While the announcement of my official retirement date is quickly approaching on August 28<sup>th</sup>, I am committed to facilitating a smooth transition for Dr. Phillips and thus I will be staying onboard for approximately two months with him. The doctors and I have worked hard behind the scenes to make this transition seamless, and having the confidence in my successor has made it that much easier. All the current Overton staff will continue in their positions and are excited to work with the new doctor. I know you will be pleased with this amazing dental team and that you will extend Dr. Phillips the same courtesy and loyalty that you have afforded me over these many years. If you would like to learn more about the PMD doctors and everything they have to offer at three locations, please visit [www.pmdentalgroup.com](http://www.pmdentalgroup.com) and their social media platforms for more information.

Thank you again for your trust, confidence, loyalty, and friendship for the past 46 years! I will miss each of you dearly. I wish you great success in your personal and professional lives. Stay healthy and safe and remember that your oral health is of utmost importance.

Sincerely,

  
Dr. Daniel D. McClenahan, DDS
